

Forensic Digest Advertising Prospectus

The Forensic Digest, published semi-annually, is the official journal of the International Academy of Forensic Professionals (IAFP) and the Academy of Forensic Nursing Science (AFNS). The Journal, devoted to forensic practitioners of all disciplines, represents the professional work of those engaged in forensic science at all levels.

The Journal provides reports of research, forensic case studies, book reviews, and interviews with forensic experts, current news, educational events, advertising and other cutting-edge forensic science information.

The Forensic Digest Journal is published both as an online downloadable journal in PDF format, and in the traditional paper format. Advertising appears in both versions.

Our Target Audience

Our common target audience consists of all forensic professionals globally, including, but not limited to, health care professionals, law enforcement personnel, peace officers, members of the judiciary, other members of the legal community; and any professional forensic career.

Among our members are those with careers in anthropology, archaeology, art, behavioral profiling, biology, botany, chaplaincy, chemistry, electronic data storage and retrieval, computer forensics, coroner examination, corrections, criminology, cyber security, death investigation, document examination, gerontology, domestic violence, education, emergency trauma, entomology, environmental forensics, fire investigation, geology, juvenile crimes and truancy, law, legal nurse consultants, linguistics, mathematics, medicine, mental health, meteorology, microbiology, nursing, odontology, paleontology, pastoral counseling, pharmacology, photography, pathology, phlebotomy, police work, psychiatry, psychology, sexual assault investigations, research, sculpture, social services and toxicology.
